

# Dining

## Wedding Menus as Individual as You Are

At Topnotch, we believe the food that surrounds your celebration should be created with the same care as all your wedding details. And that it should be a reflection of the unique style you bring to your day. From an afternoon garden party with gourmet hors d'oeuvres and al fresco dining options to a dinner designed with perfect wine pairings, our goal is to help you customize your wedding menu to suit your tastes and style.
