

Honeymoons

Your First Memories Together

What's your perfect honeymoon? Maybe it's finding a location where there's tons to do and lots to explore - a place where you and your new spouse can create memories, and begin the rest of your lives together. Or maybe it's someplace to relax, after all the busy-ness of the wedding day. A time when the two of you can have quiet, romantic moments. Gaze at the stars. Dine by candlelight. Curl up by a fire.

At Topnotch Resort, we have all that, and more. We are, after all, located in one of the most idyllic parts of the world, making us a favorite for honeymooners.

Imagine the possibilities...a quiet snowshoe trek through the hills of Stowe. Snowmobiling through a fresh layer of snow. Indulging in a couples-only massage, or well-deserved quiet time by the fire pit, accompanied by single-malt scotches. Our purpose is to deliver your vision. Be it a custom-made meal delivered to your room, complete with your favorite wine. Or rose petals on the bed. This is Topnotch - it's our pleasure.

After all, a honeymoon's not just a vacation. It's the start of your life together.

At Topnotch, we want to make it special for you.
