Class level color key: **Green = Easy** **Blue = Moderate** **Black = Hard**

Aqua Intervals: Circuit training in the water! Get a great strength workout at a pace that is great for all levels of fitness. Come on in and splash your way to fitness!

Aqua Stretch: Stretching and limbering movement in the water is great for flexibility, muscle lengthening and relaxation. Using flotation equipment to enjoy a low and non impact modality to work and stretch.

Aqua Yoga w Aerobics-A combination class of yoga postures and mild cardio to keep the blood flowing and body warm.

Awareness Meditation: Every class will have some movement, education and guided instructional meditation, as well as traditional silent meditation. Bringing a journal for notes is encouraged.

Awareness Yoga: This class focuses on a traditional Shakti style yoga which is perfect for all levels. The emphasis of this class is to become aware of negative body/mind patterns and habits, releasing them and allowing the experience of more freedom and joy.

Barre: A total body workout using the ballet barre and mat. Focusing on balance, strength and postural alignment.

Cardio Pilates: Blocks of Pilates-inspired movement mixed with higher intensity Pilates mat/core work.

Core Intervals-Interval weights, cardio, ball and stretch all together for full body strengthening from the core.

Gentle Yoga: Create an abundant time and space mindset as we practice: conscious breathing, meditation, stretching and strengthening. This sequence of poses will help remove stagnation from your mind/body.

Group Met Con: The class uses heavier weights in a 20 minute block. A 5 minute burn out will keep the correct mixture of hormones surging. The class begins and ends with a 5 minute warm up and cool down. Metabolic conditioning is the way to BURN FAT! Please note this class meets in the Strength Studio.

Hard Core: An abdominal and lower back training class taught in an endurance style, you will make your midsection stronger using a variety of exercises and props. Very fast paced class, but all levels are welcome and you will increase your core strength.

H.I.I.T. Mash-Up: High Intensity Interval Training (H.I.I.T.) is a proven way to burn fat. The mash-up is an anything goes cardio, weight training and core session.

Hydro-Power: A challenging water class utilizing intervals and circuit techniques for a full body workout.

Interval Core Blast: Interval style weights, cardio bursts, balance and core training...no breaks!

Mid-day Pilates Stretch: Classic athletic stretches inspired by Pilates exercises that move with the breath.

Morning Stretch: A gentle rhythmic stretch that improves circulation and flexibility for the whole body.

Opening the Day: Yawn open the physical, the subtle supported by breath and kind attention.

Pilates Allegro Class Semi Private: In this class, students will work at a 5:1 student teacher ratio learning the essentials of the Pilates machine. The class will strengthen the abdominals, back, legs and arms. Class limited to 5 people per class. Please sign up in advance at the Spa Desk to reserve your machine.

Pilates for Skiers/Riders: Traditional and athletic mat exercises flow together for a full body lengthen and strengthen.

Pilates Stretch-Classic athletic stretches inspired by Pilates exercises that move with the breath.

Pilates Mat Class: Exercises are done consecutively to give the body a challenge of breathing and coordinating the abdominal muscles for a fit, toned core.

Pilates with Props: A mat Pilates-based class with small props such as hand weights and bands to promote strength and conditioning.

Soulful Yoga: A practice that combines physical postures (asana), breathing exercises (pranayama), meditation and other yoga techniques from ancient yogic philosophy.

Stretch & Rest Yoga: A gentle class starting with a few minutes of stretching to get the body to warm and limber followed by a series of restorative poses using props to fully support the body and create a sense of ease and deep rest.

T'ai Chi 1/Chi Kung: A gentle, holistic Asian movement exercise. This series of movements develops and enhances health, energy, relaxation and well-being (40 mins.)

T'ai Chi II: Immediately follows T'ai Chi 1-Experienced T'ai Chi students are encouraged to stay to learn and practice more advanced movements. (40 mins.)

The Basics of Alignment and Precision: Modified postures accommodate the body's capabilities and enhance the flow of subtle energies.

Therapeutic Yoga: This class starts with both breath and body awareness exercises before moving through a gentle flow of postures and ends with guided meditation. No experience is required but an open mind is good!

Vinyasa Flow: Creates long and lean muscles, balances joints and focuses the mind. Great for active people. All abilities are welcome!

Yoga: Gentle and Restorative: Gentle movements shed tension and prepare for soothing, supportive stillness.

Proper footwear is required for all activities. Classes and activities are for the ages of 16 and older.

The indoor pool is closed during the aqua classes 11:00-12:00.
